This restriction is limited to an Approved Product List (APL) established by approved independent research and endorsed by an internal research team. The ability of your adviser to recommend some of the products on the APL may be limited due to some additional accreditation requirements. Where this is the case, additional information is provided in the attached Adviser Profile.

Some Madison Authorised Representatives also conduct separate business activities such as accounting, legal advice, direct property, general insurance, mortgages, super fund administration and other services not provided under the Madison licence. These services fall outside Madison AFS Licence and Professional Indemnity insurance policy. In all your dealings with your adviser you must satisfy yourself as to who is responsible for the specific advice or service provided. THE INTERESTS, ASSOCIATIONS AND RELATIONSHIPS THAT MAY INFLUENCE OR AFFECT OUR ADVICE

Madison is not owned by any financial product provider but by a parent company called PHAROS Financial Group Pty Ltd. PHAROS Financial Group shareholders include some Madison Authorised Representatives – these advisers are called Foundation Members. Foundation Members will also be entitled to participate in any distributed Madison profits and may pass on such benefits to their employees and associates.

Related Parties / Entities

Our recommendations to you will be based on our assessment of your personal circumstances, needs and objectives. These factors underpin our advice but it is important for you to appreciate that our interests, associations, relationships and the benefits we receive – such as commissions, sponsorships or marketing allowances – may give rise to an actual or potential conflict of interest. We manage, and will clearly disclose any conflicts that we believe may influence our advice. Our parent company PHAROS has a shareholding in the following companies:

- OneVue Limited
- Australian Money Market Pty Ltd
- Justsuper Pty Ltd
- WealthPortal Pty Ltd
- Proactive Portfolios Pty Ltd

General Relationships

Madison and/or its parent company PHAROS, receives licensee payments from financial institutions based on the average balance of all funds placed by Madison advisers in each relevant institution's investment options. These payments include rebates, value participation schemes, administrative and marketing fees etc from a number of its approved and preferred administrative platform/s or product providers, in terms of percentage basis points on the amount/s individually invested for various marketing and related services.

These payments are paid out of the administrative platform/s or product provider's own administrative fees and are not an additional payment from your investments. Madison constantly reviews the services of the platform/s and providers we actively support to ensure they remain highly competitive across a number of parameters, including pricing, functionality and service delivery.

These licensee payments assist to offset the operational expenses incurred by Madison in maintaining administrative and compliant services to its Authorised Representatives (your Adviser) network, and those businesses that operate under its Australian Financial Services Licence.

Similar to other businesses, the corporate structure of the Madison business affords all Authorised Representatives the opportunity to participate in shareholder dividends where they become payable. The dividend arrangement is such that up to a maximum of 25% of profits can be allocated to PHAROS and 75-100% to Madison advisers and management (of PHAROS & Madison).

These licensee payments are received from; MWrap (BT Wrap Badged), OneVue, WealthPortal, Asgard Capital (AIOFP), First Choice (Colonial First State), Beacon Wrap, MLC (Aviva), OnePath (ING) Risk, Asteron Risk, and Macquarie Wrap. From time to time, these administrative platform/s and product providers may be removed or others included according to the ever changing services and products being made available to the industry and their competitive position.

An example of the maximum licensee payments that we will be entitled to receive are listed below (excluding GST). For example, if you had \$10,000 invested for a year in an investment product for which the licensee payment was 0.40%pa, the annual payment to the Madison group would be \$40 (0.40% of \$10,000) and is paid as long as you hold that product.

Platform/Provider	Additional Payment receivable if \$10,000 was invested
Admin Platform/s	0.52% or \$52
Investment Products	0.50% or \$50
Risk Products	7% or \$700
Structured Products	1% or \$100
Tax Effective Products	5% or \$500

In addition to licensee payments, financial institutions will pay Madison a fee to attend Madison's annual training conference and they will also sponsor other functions.

OTHER DOCUMENTS YOU MAY RECEIVE

If we provide you with personal financial services advice, we will confirm our recommendations in writing so that you can make an informed decision about the appropriateness and suitability of our advice. Our recommendations are usually documented in a Statement of Advice (SoA) and will be provided to you. A Record of Advice (RoA) may be used to record any advice where we have provided you with subsequent advice and your personal circumstances have not changed. The RoA will be added to your file and if you would like a copy of this document, we will make it available to you on request. Although your request may be made to your adviser up to seven years after the advice has been provided, we suggest you contact your adviser as early as possible.

If we recommend a particular financial product, we will give you information about that financial product in a document called a Product Disclosure Statement (PDS), which contains specific and important information. It is very important for you to read and understand any PDS that we provide you before you can take any action in relation to a financial product recommendation.

In most cases personal advice will be provided, however if you do not require personal advice, general advice is available. We can also take your specific instructions to transact on your behalf and place a financial product (that Madison is able to offer) without providing any financial advice. After you engage us as your adviser, we can act on your instructions whether you provide them by telephone, email, fax or other means of communication agreed to.

YOUR PERSONAL INFORMATION

In order to continue to provide you with advice that is appropriate for your needs and suitable for your circumstances, we will retain information about you including your financial and lifestyle objectives and your current financial situation. We are also legally required to store this information and records of any advice and services we provide to you. Information acquired by us in the course of providing our services will not be disclosed to any other party without your express consent, except as required by law or professional obligation. Please refer to our privacy statement on www.madisonfg.com.au for more information. If you wish to review your personal information held by Madison please contact your adviser or call Madison direct on (02) 9930 8888.

The Anti-Money Laundering and Counter Terrorism Financing Act 2006 requires that you may be "identified" before investing in a financial product. What this means is that you may be required to produce documentary evidence to confirm your identity. Your adviser will explain these requirements to you if and when appropriate.

OUR SERVICES FOR MANAGED DISCRETIONARY ACCOUNTS

We offer limited types of Managed Discretionary Account Services (MDA Services) within approved investment platforms. Through these services, you allow us to manage your investments for you, using our discretion and without obtaining your instructions before each transaction we undertake on your behalf. However, we do not (and we are not authorised to) open new accounts, withdraw funds or contribute funds to your investment.

What are the Risks associated with using the MDA Service? By authorising us to make changes to your investments, you cannot claim we were not acting on your behalf if we acted within the authority given. Therefore, our acts bind you. It is important you understand what we are authorised to do and that you carefully read and understand the activities that you are authorising us to do on your behalf.

How can you instruct us to exercise Rights relating to the financial products in your portfolio? Generally, the financial products that we invest in on your behalf do not have any additional rights or entitlements attached to them. However, if there are, we can let you know. You can then instruct us how you wish us to proceed.

Do you have to enter into a Contract for us to provide MDA Services? Yes. This MDA contract will set out the terms and conditions of the authority and also the investment program, which sets out how your money will be invested. We will agree and prepare the investment program for you based on your relevant personal circumstances, your financial objectives and your needs and review the program by your adviser every 12 months.

Will the Investment Program in the MDA Contract comply with the law? If this is relevant, then the investment program set out in the MDA contract will comply with the law. The relevant law is Division 3 of Part 7.7 of the Corporations Act. The contract and supporting documents will also contain:

- Statements about the nature and scope of the discretions we will be authorised and required to exercise under the MDA contract
- Any investment strategy that is to be applied in exercising those discretions
- Information about any significant risks associated with the MDA contract
- The basis on which we consider the MDA contract to be suitable for you
- Warnings that the MDA contract may not be suitable to you if you have provided us with limited or inaccurate information. It will also specify that the MDA Service may cease to be suitable for you if your relevant personal circumstances change.

Do we provide Custodial or Depository Services for your portfolio? We do not provide custodial or depository services. So you will either hold the investments in the portfolio, or the custodian nominated for that financial product.

This Financial Services Guide complies with the ASIC Class Order 04/194.
